F.No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 27th June 2023

To

The Chief Secretary,
Govt. of Andhra Pradesh
cs@ap.gov.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments like Agriculture, Horticulture, Forest and District Magistrates to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments like Agriculture, Horticulture, Forest and District Magistrates to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

F.No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 27th June 2023

To

The Chief Secretary,
Govt. of Sikkim
cs-skm@hub.nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments like Agriculture, Horticulture, Forest and District Magistrates to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments like Agriculture, Horticulture, Forest and District Magistrates to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Email ID: dc-ldvalley-arn@nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India.

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyjXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "**One Crore**" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

F. No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 26th June 2023

To

The Deputy Commissioner,
Dima Hasao, Assam
Email ID: dc-nchills@nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India.

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "**One Crore**" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "**One Crore**" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

F. No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 26th June 2023

To

The Deputy Commissioner,
West Karbi Anglong, Assam
Email ID: dc.westkarbianglong@gov.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India.

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India.

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

F. No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 26th June 2023

To

The District Magistrate,
Muger, Bihar.
Email ID: dm-munger.bih@nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India.

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India.

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India.

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India.

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

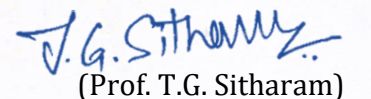

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

F. No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 26th June 2023

To

The District Magistrate,
Rajnandgaon, Chhatisgarh.
Email ID: collector-raj.cg@gov.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India.

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyjXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

F. No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 26th June 2023

To

The District Collector,
Alappuzha, Kerala
dc-alz@gov.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Date: 26th June 2023

To

The District Collector,
Thiruvananthapuram, Kerala
dctvm.ker@nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

The District Magistrate,
Dhar, Madhya Pradesh
dmdhar@nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit: - <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

F. No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 26th June 2023

To

The District Magistrate,
Rewa, Madhya Pradesh
dmrewa@mp.nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit: - <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at **it2sdc@aicte-india.org**.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

collector.gadchiroli@maharashtra.gov.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

F. No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 26th June 2023

To

The Deputy Commissioner,
Churachandpur, Manipur
dc-ccp@nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

F. No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 26th June 2023

To

The Deputy Commissioner,
South Garo Hills, Meghalaya
dc-sgh-meg@nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit: - <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Email ID: dcgrg@hry.nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

F. No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 26th June 2023

To

The Deputy Commissioner,
Kinnaur, Himachal Pradesh
Email ID: dc-kin-hp@nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyjXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyjXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

The Deputy Commissioner,
Latehar, Jharkhand

Email ID: dc-lat@nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

F. No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 26th June 2023

To

The District Magistrate,
Salem, Tamil Nadu
Email ID: collrslm@nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

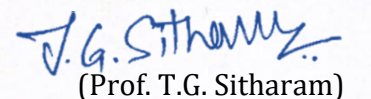

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

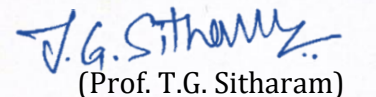

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at **it2sdc@aicte-india.org**.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India.

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at **it2sdc@aicte-india.org**.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

F. No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 26th June 2023

To

The District Magistrate,
Gurdaspur, Punjab
Email ID: dc.frz@punjab.gov.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyjXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

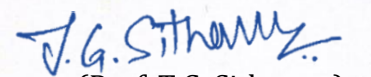

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission " **One Student, One Tree 2023**" with the target of "**One Crore**" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

F. No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 26th June 2023

To

The District Magistrate,
Khammam, Telangana

Email ID: collector_kmm@telangana.gov.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

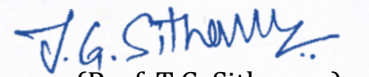

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyjXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

The District Magistrate,
Moradabad, Uttar Pradesh
Email ID: dmmor@nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

F. No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 26th June 2023

To

The District Magistrate,
Azamgarh, Uttar Pradesh
Email ID: dmaza@nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Email ID: dm-usn-ua@nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments Tahsildars, Block Development Officers, Forest Department, Irrigation Department to extend cooperation and support to AICTE-approved institutions in their endeavour to carry out the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at it2sdc@aicte-india.org.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments like Agriculture, Horticulture and District Forests Officers to provide all plantation-related facilities and support to AICTE-approved institutions to conduct the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "**One Crore**" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments like Agriculture, Horticulture and District Forests Officers to provide all plantation-related facilities and support to AICTE-approved institutions to conduct the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

To search nearby AICTE-approved institutions refer link:- <https://facilities.aicte-india.org/dashboard/pages/angulardashboard.php#!/approved>

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

In case of any further information on the subject, please write to us at **it2sdc@aicte-india.org**.

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

F. No. AICTE/SDC (RB)/ Tree Plantation-MeriLiFE/1

Date: 27th June 2023

To

Secretary
Environment and Forest Department,
Govt. of Delhi
senv@nic.in

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative by AICTE as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "**One Crore**" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of trees is the best way to protect the Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all related departments like Agriculture, Horticulture and District Forests Officers to provide all plantation-related facilities and support to AICTE-approved institutions to conduct the plantation drive from 25th June to 30th July 2023. We are seeking assistance in identifying suitable land for the plantation, facilitating with manpower and providing saplings for the plantation. Also, instruct Departments under your Jurisdiction to participate and join this Massive Tree Plantation drive to reach the target.

Govt. of Arunachal Pradesh
commrapcbk@gmail.com

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of tree is best way to protect Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all Engineering Colleges/ Polytechnics/ Technical Universities/ or Departments under your Jurisdiction to participate and join this drive very effectively and organise special drives to reach the target. In case of any further information on the subject, please write to us at **sdc@aicte-india.org**.

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of tree is best way to protect Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all Engineering Colleges/ Polytechnics/ Technical Universities/ or Departments under your Jurisdiction to participate and join this drive very effectively and organise special drives to reach the target. In case of any further information on the subject, please write to us at **sdca@aicte-india.org**.

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of tree is best way to protect Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all Engineering Colleges/ Polytechnics/ Technical Universities/ or Departments under your Jurisdiction to participate and join this drive very effectively and organise special drives to reach the target. In case of any further information on the subject, please write to us at **sdca@aicte-india.org**.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of tree is best way to protect Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all Engineering Colleges/ Polytechnics/ Technical Universities/ or Departments under your Jurisdiction to participate and join this drive very effectively and organise special drives to reach the target. In case of any further information on the subject, please write to us at **sdcaicte-india.org**.

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.

Subject: Request to Support AICTE's approved Institutions for carrying out Plantation drive under One Student, One Tree 2023 Initiative as a part of MeriLiFE: Massive Tree Plantation Drive launched by Govt. of India

Dear Sir/Madam,

The Govt. of India has launched **MeriLiFE: Massive Tree Plantation Drive**. As a part of the initiative, AICTE has been assigned to carry out the mission "One Student, One Tree 2023" with the target of "One Crore" tree plantation.

As you are aware that environmental conservation and sustainable development have become crucial aspects of our society today. AICTE firmly believes that one of the most effective ways to address these challenges is through tree plantation. Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. **The Plantation of tree is best way to protect Ozone layer and Global warming effects.**

In view of the above, it is requested to kindly instruct all Engineering Colleges/ Polytechnics/ Technical Universities/ or Departments under your Jurisdiction to participate and join this drive very effectively and organise special drives to reach the target. In case of any further information on the subject, please write to us at **sdcaicte-india.org**.

Link to Participate in this initiative: <https://forms.gle/nRaTp6m2yn1uyJXT9>

For more details visit:- <https://drive.aicte-india.org/meriLife/>

We hope to get your active cooperation and support in making "One Student One Tree 2023" a huge success.
